Mikvah of New Rochelle

Second Annual Breakfast

The Mikvah of New Rochelle was established through the hard work and dedication of many individuals, under the leadership and guidance of Rabbi Reuven Fink, Rav HaMachshir. This incredible project was spearheaded and directed by Marvin Sperling, and brought to fruition with the construction acumen of Walter Friedrichs and decorating talent of Daphna Brainson. The Mikvah of New Rochelle was dedicated on Dec 7, 2008 by Vivian and Stanley Bernstein in memory of their mothers Adele Bernstein (ה"ע) and Renée Weiss (ה"ע). The mikvah facility features two beautifully designed mikvaot and seven elegant preparation rooms. The Mikvah is open to men before the high holidays and shalosh regalim. Our goal is to make every visit comfortable and meaningful. In 2010 the Mikvah of New Rochelle Bridal Fund was established by Halana and Alan Greenberg in memory of Rita Greenberg (ה"ע) and Jack E. Mizrahi (ה"ע), which enables the Mikvah to provide a unique and beautiful experience for every bride. Our mikvah accommodates more than 1500 visits annually, from New Rochelle and communities throughout Westchester and the Bronx. Your continued support will help ensure our ability to meet the Mikvah's annual financial needs.
